A. **PUBLIC HEARING, ACCEPT PUBLIC INPUT REGARDING APPLICATION NO. ZT-1-2015, FILED BY WEST VALLEY CITY, REQUESTING TO AMEND SECTION 7-6-1605 OF THE WEST VALLEY CITY MUNICIPAL CODE REGARDING HEIGHT REQUIREMENTS IN THE CITY CENTER ZONE**

Mayor Bigelow informed a public hearing had been advertised for the Regular Council Meeting scheduled April 21, 2015, in order for the City Council to hear and consider public comments regarding Application No. ZT-1-2015, filed by West Valley City, requesting to amend Section 7-6-1605 of the West Valley City Municipal Code regarding height requirements in the City Center zone.

Proposed Ordinance No. 15-14 related to the application which would be considered by the City Council after the public hearing, was discussed as follows:

ORDINANCE NO. 15-14, AMENDING SECTION 7-6-1605 OF THE WEST VALLEY CITY MUNICIPAL CODE TO CLARIFY HEIGHT REQUIREMENTS IN THE CITY CENTER ZONE

Steve Pastorik, CED Department, discussed Application No. ZT-1-2015 and proposed Ordinance No. 15-14 that would amend Section 7-6-1605 of the West

MINUTES OF COUNCIL STUDY MEETING – APRIL 14, 2015

-3-

Valley City Municipal Code to clarify height requirements in the City Center zone.

Staff had proposed some clarifying amendments to paragraph 7 of Section 7-6-1605 that addressed height requirements in the zone. The proposed amendment, attached to the information provided to the Council, did not change any of the height standards but simply clarified how they were applied.

To create a transition between tall buildings in the middle of the City Center zone and single-family homes just outside of the zone, the existing ordinance included lower height standards for those areas within 100-feet of existing single-family homes. The proposed revision clarified that if buildings were partially within the 100-feet and partially outside the 100-feet, both the lower and higher standards would apply to the respective portions of a building.

Mr. Pastorik further reviewed the Application and proposed Ordinance and answered questions from members of the City Council.

The City Council will hold a public hearing regarding Application No. ZT-1-2015 and consider proposed Ordinance No. 15-14 at the Regular Council Meeting scheduled April 21, 2015, at 6:30 P.M.

5. **RESOLUTION NO. 15-68, AUTHORIZE THE CITY TO RENEW A POLICY WITH EMI TO PROVIDE DENTAL BENEFITS FOR CITY EMPLOYEES FOR FISCAL YEAR 2014-2015**

Assistant City Manager, Paul Isaac, discussed proposed Resolution No. 15-68 that would authorize the City to renew a policy with EMI to provide dental benefits for City employees for fiscal year 2014-2015.

He stated EMI was the current provider for dental benefits for City employees and premiums would not increase for fiscal year 2014-2015.

Mr. Isaac further reviewed and discussed the proposed Resolution and answered questions from members of the City Council.

The City Council will consider proposed Resolution No. 15-68 at the Regular Council Meeting scheduled April 21, 2015, at 6:30 P.M.

6. **RESOLUTION NO. 15-69, APPROVE FRANCHISE AGREEMENT WITH XO COMMUNICATIONS SERVICES, LLC, FOR A TELECOMMUNICATIONS NETWORK IN THE CITY**

MINUTES OF COUNCIL STUDY MEETING – APRIL 14, 2015

-4-

Public Works Director, Russell Willardson, discussed proposed Resolution No. 15-70 that would authorize the City to accept a Quit Claim Deed and a Public Utility and Street Lighting Easement from Devil's Castle, LLC, for a portion of property located at 6519 West SR-201 South Frontage Road.

Devils Castle, LLC had signed a Quit Claim Deed for right-of-way on the SR-201 South Frontage Road, the owner of the property for the proposed Great Western Leasing site. The description for the subject property currently included a portion of the SR-201 South Frontage Road. As the right-of-way had not been previously dedicated or conveyed to the City, conveyance of right-of-way for the frontage road would be required as a condition of approval.

Mr. Willardson further reviewed the proposed Resolution and answered questions from members of the City Council.

Upon inquiry, Paul Isaac, Assistant City Manager, discussed performers currently being booked for the summer concert series at the Utah Cultural Celebration Center (UCCC) and advised further details would follow.

B. **POTENTIAL FUTURE AGENDA ITEMS**

City Manager, Wayne Pyle, discussed housing amendments and the moratorium and reported regarding conversations held over the last few weeks regarding undeveloped larger parcels of land in the City.

Upon direction, Steve Pastorik, CED Department, displayed a color-coded map with parcel locations and criteria. He inquired regarding the Council's preference on whether or not to include parcels under one acre with adjacent parcels of two acres or more with potential for residential use, and discussed the pros and cons of that question.

The City Council members shared individual thoughts and opinions, after which the City Manager and Mr. Pastorik, and the Assistant City Manager/CED Director, answered questions.

Upon further discussion, the City Council expressed a consensus and directed staff to include all parcels shown on the map unless it was obvious they stood alone and were not adjacent to another parcel as noted in discussion of the map.

The City Manager referenced material previously distributed to the Council via e-mail regarding the amount of undeveloped land in the City and reasons why they might want to combine properties. He indicated other information included talking points for possible questions from the media, citizens and others, would be provided as the new ordinance moved through the process. He explained he wanted to make certain the Council was prepared to handle all questions.

Mr. Pastorik stated as part of this action, the General Plan would be amended for larger lots so the ordinance revision, General Plan amendment, and re-zoning would go hand in hand.

9. **COUNCIL REPORTS**

A. **COUNCILMEMBER BUHLER – POLICE DEPARTMENT POLICIES AND CONTACT FROM RESIDENT REGARDING CITATION**

Councilmember Buhler inquired if there was policy regarding police officers smoking and shared the situation that raised the question.

Acting Police Chief, Phil Quinlan, responded officers could smoke in uniform, but not in public view.

Councilmember Buhler also stated a resident had contacted him regarding getting a ticket for illegal lane change, including the conversation the citizen had with a prosecutor when he went to fight the ticket.

MINUTES OF COUNCIL STUDY MEETING – APRIL 14, 2015

In response, the City Manager advised he would meet with Councilmember Buhler after the meeting to discuss the issue further.

B. COUNCILMEMBER COREY RUSHTON – GRANGER-HUNTER IMPROVEMENT DISTRICT

Councilmember Rushton informed staff regarding a Granger-Hunter Improvement District agenda item and stated the District would be applying to the City for easements near the Maverik Center.

C. COUNCILMEMBER KAREN LANG –ASSOCIATION OF MUNICIPAL COUNCILS

Councilmember Lang advised that the Association of Municipal Councils recently toured the Jordan Valley Water Conservancy District (JVWCD) treatment plan. She indicated it was not doom and gloom regarding the water supply, but there were some tips for conservation JVWCD would like the City to send out to its citizenry.

City Manager, Wayne Pyle, invited Councilmember Lang to submit the information to the Strategic Communications Director.

Councilmember Rushton also discussed the water situation, including water district budgets and conservation.

Councilmember Lang advised of her inability to attend a scheduled tour of the Utah Department of Transportation's Traffic Operations Center (TOC) facility and inquired if another Council member could attend.

D. COUNCILMEMBER LARS NORDFELT – HISTORICAL SOCIETY

Councilmember Nordfelt discussed information pertaining to the Historical Society and review of a Request for Proposals (RFP) for a statue. He indicated the committee would discuss recommendations at their next meeting.

PAUL JOHNSON: Utah Risk Management Mutual Association (URMMA)

Topic: Discussion on adding non-city entities to URMMA

Time: 5-15 minutes

Recently a special service district requested to join URMMA. URMMA's Interlocal Agreement limits membership to Utah cities and would need to be amended to allow non-municipal entities such as special service districts to join. Every member city must approve any amendments to the Agreement. The Executive Committee of the Board of Directors is interested in allowing this type of entity to join but before proceeding has asked CEO Paul Johnson to visit each city council to gauge the city's willingness to sign an amendment to the Interlocal Agreement. If every city manifests a willingness, URMMA will prepare an actual amendment to bring back to the cities for approval sometime before July 1st. The presentation will be relatively short and will take as little as 5 minutes depending on questions.

May 2015 EAC Employee of the Month
Detective Justin Boardman
Police Department

I would like to nominate Detective Justin Boardman as Employee of the Month. Detective Boardman is a great example of the many things that are going right in our Police Department. As featured in an article on ABC4 News' website, Detective Boardman has been working to improve the way that police officers take statements from victims of rape and sexual assault. He has been asked to train officers from many different departments as he has helped develop a new methodology of interviewing the victims.

Evidence indicates that officers think that victims are lying about assaults, but really, they are just victims of trauma and respond in that way. Detective Boardman has been training officers at National conferences and has helped officers from 47 states and 3 countries to improve their techniques and to take this trauma into consideration as they interview.

Detective Boardman was honored for his efforts last week when he received the "Visionary Voice" award from the National Sexual Violence Resource Center. It is only fitting that we honor his efforts as well.

Award Contract for the 2600 South Ditch Piping Project

SYNOPSIS:

Lowest responsible bid was received by Cowboy Contractor Corporation for the amount of \$165,726.00.

BACKGROUND:

Bids were opened for the project on April 14, 2015. A total of eleven (11) bids were received.

The 2600 South ditch is an open channel which is part of the city's storm drain system. This particular segment of open channel is the last remaining un-piped portion of a major storm drain line that drains a large area between 3600 West and 3270 West from approximately 2200 South to 2600 South. The ditch in its current condition is nearly un-maintainable. The project consists of the installation of approximately 550 feet of 60-inch pipe, along the back lot lines of multiple properties. This project will ease the maintenance burden, and reduce upstream flooding risks.

This project was previously bid in September 2014, but due to right-of-way delays the contract was not executed. The property access issues have since been resolved and the project was re-bid since the previous low-bidder opted not to execute the contract after the delays.

Funds are available in the FY14-15 Budget, and no budget opening is necessary.

RECOMMENDATION:

Award the contract to Cowboy Contractor Corporation in the amount of \$165,726, and authorize the Public Works Department to spend no more than \$185,000 in potential change orders.

THIS LEASE AGREEMENT (hereinafter the "Agreement") is entered into this _____ day of _____, 2015, by and between West Valley City, a Utah municipal corporation (hereinafter the "City") located at 3600 Constitution Boulevard, West Valley City, Utah, 84119, and North Jordan Irrigation Company (hereinafter "NJIC"), a Utah corporation with principal offices located at 4788 S. Hidden Cove Drive, Taylorsville, Utah, 84123. Collectively the City and NJIC are referred to as the "Parties".

RECITALS:

WHEREAS, the City owns the property located at 3750 South 3600 West in West Valley City (hereinafter "the Property"), and further described as parcel #15-32-276-039-0000 consisting of .17 acres, and described in Exhibit A; and

WHEREAS, the City has determined that it is in the best interests of the City to lease the Property to NJIC for canal operations; and

WHEREAS, NJIC desires to lease the Property, and has agreed to maintain the Property on behalf of the City;

NOW, THEREFORE, in consideration of the mutual promises of the Parties contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

AGREEMENT:

1. PURPOSE

The purpose of this Agreement is to grant a lease of the Property and Improvements on the property to NJIC for the purpose of operating an irrigation company, storing equipment, and making improvements on the property toward that purpose. Existing improvements are defined and limited to the chain link fence located on the property at the time of execution of this Agreement and will be referred to in this document as "Improvements".

2. PROPERTY LEASE

The City does hereby lease, rent, and demise to NJIC, and NJIC does hereby take, accept, and lease from the City, the Property and its Improvements, upon the terms and conditions and for the purposes set forth in this Agreement, to have and hold for the term set forth in this Agreement. The Property and its Improvements are leased to NJIC "as-is, where-is," with no warranty offered by the City as to their condition or suitability for NJIC's purposes. The physical description of the Property is attached to this Agreement as Exhibit A.

3. TERM OF LEASE

The Term of this Agreement shall commence on the date of the execution of this Agreement by the Parties and shall end on July 1, 2035. If neither party seeks termination of the Lease prior to its expiration, the Lease shall automatically renew under the terms listed in this Agreement for consecutive 12 month periods, or until either party terminates the lease.

4. TERMINATION

Either the City or NJIC may terminate this Agreement at any time with ninety days' written notice.

During the Term of this Agreement, NJIC shall have the right to the use and occupancy of the Property for the purposes and on the terms and conditions set forth herein.

5. CONSIDERATION; RENTAL AND FEE PAYMENTS

As consideration for the lease to occupy and use the Property herein granted to NJIC, and for the agreements of the City contained herein, NJIC hereby agrees to pay one dollar (\$1.00) annually to the City.

6. LAWFUL USE; NEGATIVE COVENANTS OF NJIC

- A. NJIC hereby agrees to comply with all applicable federal, state, and local laws, rules, ordinances, and regulations while managing, operating, or conducting activities at the Property during the Term of this Agreement.
- B. NJIC shall not do, or permit or authorize others to do, any of the following:
 - i. Knowingly or intentionally engage in any act that, to an ordinarily prudent person in the position of NJIC, would be reasonably foreseeable to cause substantial or irreparable damage to the Property and/or its Improvements.
 - ii. Knowingly use or occupy, or knowingly permit the Property, or any part thereof to be used or occupied, for any unlawful, disreputable, or hazardous use (including the prohibited or unauthorized use, storage, or disposal of any Hazardous Substance), or operate or conduct the business of the NJIC in any manner known to constitute or give rise to a nuisance of any kind.

7. NEGATIVE COVENANTS OF CITY

The City shall not interfere with NJIC's rights or benefits granted by this Agreement.

8. FIXTURES

NJIC may make improvements and install fixtures on the property. Upon expiration of the Term, NJIC must remove all Fixtures from the property, and repair and restore the Property and Improvements to their pre-Agreement condition.

9. LIENS

NJIC shall not permit the lien of any contractor, subcontractor, mechanic, materialman, laborer, architect, or any other person or entity arising out of work, material or services performed or supplied or contracted for NJIC, or those claiming by, through or under it, to be or remain a lien upon the Property. NJIC shall indemnify, defend, and hold the City harmless from any such liens.

10. FEES; TAXES; ASSESSMENTS

NJIC shall pay all applicable fees, charges, and taxes, both personal and property, if any, resulting from its possession, occupancy, management, and use of the Property. In the event a "possessory interest tax" or privilege tax is imposed on NJIC, such tax shall be the sole responsibility of NJIC, and shall be paid by NJIC.

11. MAINTENANCE AND CARE OF THE PROPERTY

- A. NJIC agrees that it shall comply with all applicable building and fire codes in its use and of the Property.
- B. NJIC agrees to keep the Property and its Improvements free from damage by NJIC, its employees, agents, or invitees.
- C. In the event of damage to the Property and/or its Improvements due to the acts or omissions of NJIC, its employees, agents, or invitees, NJIC agrees to, at the City's option, pay the sums needed to restore the Property or Improvements or repair the damage.

12. VACATING AND RESTORING THE PROPERTY

- A. Upon termination of the Agreement, NJIC shall vacate the Property and return possession of the Property to the City in a condition similar to which it was received by NJIC. However, prior to such return, NJIC shall, at its sole cost, restore the Property to its condition as of the execution of this Agreement.

13. HAZARDOUS WASTE

- A. For the purpose of this Agreement, the following terms shall be defined as provided below, unless the context clearly requires a different meaning:
 - i. Law or Regulation shall mean any environmentally-related local, state, or federal law, regulation, ordinance, or order (including, without limitation, any final order of any court of competent jurisdiction of which NJIC has knowledge) now or hereafter in effect, including, but not limited to, the

Clean Air Act, the Federal Water Pollution Control Act, the Safe Drinking Water Act, the Toxic Substances Control Act, the Comprehensive Environmental Response Compensation and Liability Act as amended by the Superfund Amendments and Reauthorization Act of 1986, the Resource Conservation and Recovery Act as amended by the Solid and Hazardous Waste Amendments of 1984, the Occupational Safety and Health Act, the Emergency Planning and Community Right-to-Know Act of 1986, and the Solid Waste Disposal Act.

- ii. Hazardous Substance shall mean any hazardous, toxic, or dangerous substance, waste, or material that is regulated under any federal, state, or local statute, ordinance, or regulation relating to environmental protection, contamination, or cleanup.
- B. The City represents and warrants that to the best of its knowledge, the Property does not contain any Hazardous Substance found to be in violation of any applicable Law or Regulation. The City shall not cause to occur upon, in, or about the Property, or permit the Property to be used to generate, produce, manufacture, refine, transport, treat, store, handle, dispose, transfer, or process, any Hazardous Substance, except in compliance with all applicable Laws and Regulations. The City will comply with every applicable Law and Regulation regulating any Hazardous Substance found in, on, or about the Property and promptly remedy any violation of each such Law or Regulation caused by the City or its employees or contractors.
- C. NJIC shall comply with every applicable Law and Regulation regulating any Hazardous Substance found on or about the Property, and shall not cause to occur upon, on, or about the Property, or use the Property to generate, produce, manufacture, refine, transport, treat, store, handle, dispose, transfer, or process, any Hazardous Substance, except in compliance with all applicable Laws and Regulations. NJIC shall provide the City with copies of all Material Safety Data Sheets (MSDS), environmentally related regulatory permits or approvals (including revisions or renewals), and any correspondence NJIC receives from, or provides to, any governmental unit or agency in connection with NJIC's handling of any Hazardous Substance or the presence, or possible presence, of any Hazardous Substance in or about the Property.
- D. If either party violates any of the terms of this section concerning the presence or use of any Hazardous Substance or the handling or storing of hazardous wastes, such party promptly shall take such action as is necessary to mitigate and correct the violation. If NJIC does not act in a prudent and prompt manner, the City reserves the right, but not the obligation, to act in its place, to come onto the premises, and to take such action as the City deems necessary to ensure compliance or to mitigate the violation. If the City determines that NJIC is in violation of any Law or Regulation, or that NJIC's actions or inactions present a threat of violation or a threat of damage to the Property, the City reserves the right to enter onto the Property and take such corrective or mitigating action as the City

deems necessary. All costs and expenses incurred by the City, where an actual violation had or would have occurred, shall become immediately due and payable by NJIC upon presentation of an invoice therefore by the City.

14. INDEMNITY/WAIVER

- A. To the fullest extent permitted by law, NJIC shall indemnify, hold harmless, and, at the City's option, defend the City from and against all claims, damages, losses, and expenses, including, but not limited to, attorney's fees or other liability, for death or injury to any person or damage to property caused, or alleged to have been caused, directly or indirectly, or arising from any willful or negligent act or omission of NJIC, including its agents, its employees, independent contractors, concessionaires, and patrons, in or about the Property. Employees of the City or the City who are guests of NJIC shall be considered members of the general public.
- B. If the City, pursuant to the provisions of this section, exercises their option to require NJIC to defend them, then NJIC may participate in said defense for the purpose of ensuring that the attorney's fees and costs of defense are reasonable and necessary.

15. SURVIVAL

NJIC's responsibilities contained in this Agreement, Section 14 INDEMNITY/WAIVER, shall survive the expiration or termination of this lease.

16. INSURANCE

- A. NJIC, throughout the Term of this Agreement, shall:
 - i. Maintain public liability insurance against claims for bodily injury, personal injury, or death or damage to property occurring upon, in, or about the Property in a minimum amount of Two Million Dollars (\$2,000,000) combined single limit per occurrence, and not less than Five Million Dollars (\$5,000,000) in the aggregate. The coverage shall be in the nature of Broad Form Commercial General Liability coverage and shall specifically include, at minimum, the following types of coverage: (i) Premises Operations; (ii) Product Completed Operations Hazard; (iii) Broad Form Contractual Insurance; (iv) Independent Contractors; (v) Comprehensive Form; (vi) Broad Form Property Damage; and (vii) Personal Injury.
 - ii. Maintain worker's compensation coverage in a minimum amount at no times less than as required by the workers compensation laws of the State of Utah.
- B. All insurance policies required under this section shall:

- i. Be issued by insurers of recognized responsibility, licensed or permitted to do business in the State of Utah. Insurance is to be placed with insurers with an AM Best rating of no less than an A- Carrier, with a rating of VII or higher.
 - ii. Provide that the coverage shall not be suspended, voided, canceled, or reduced in coverage or in limits, or otherwise materially altered, without at least thirty (30) days' prior written notice by certified mail, return receipt requested, to the City. Certificates evidencing such shall be submitted to the City upon execution of this Agreement.
- C. All public liability policies maintained under this section shall include the City and their respective employees, officers, officials, agents, volunteers, and assigns as primary insured. Any reference to the City, either in the provisions of this section or in any policies provided pursuant to this Agreement, shall be deemed to include the City and the City's employees, officers, officials, agents, volunteers, and assigns.
- D. The coverage provided by the insurance policies maintained under this section shall be primary insurance with respect to the City, and the City's employees, officers, officials, agents, volunteers, and assigns. Any insurance or self-insurance maintained by the City and/or City employees, officers, officials, agents, volunteers, and assigns shall be in excess of NJIS's insurance and shall not contribute to or with it. Accordingly, underwriters shall have no right of recovery or subrogation against the City or City employees, officers, officials, agents, volunteers, and assigns, it being the intent of the Parties that the insurance policies maintained under this section shall protect all Parties and be primary coverage for any and all losses covered by the insurance.

17. FORCE MAJEURE

If either party to this Agreement is prevented from performing its obligations under the terms of this Agreement due to the acts of third parties, other than those hired by or affiliated with the City or NJIC, an Act of God, or some other force majeure, it is hereby stipulated that no claim shall be made against the other party for damages.

18. BREACH BY NJIC

The following acts and omissions shall constitute a default and material breach of this Agreement:

- A. NJIC's violation of any material condition, representation, warranty, covenant, provision, or obligation on its part contained in this Agreement, where such default or deficiency in performance was not remedied within fifteen (15) days of receipt of written notice of such violation or deficiency.

- B. NJIC's failure to pay to the City, when due, the Rental Payments and Fees, or any other amounts due under this Agreement.

19. BREACH BY CITY

The following acts and omissions shall constitute a default and material breach of this Agreement by the City:

- A. The City's violation of any material condition, warranty, representation, covenant, or provision of this Agreement, where such default or deficiency in performance was not remedied within fifteen (15) days of receipt of written notice of such default or deficiency.

20. NOTICE AND REMEDIES FOR BREACH

- A. In the event either party fails to perform any obligation required by this Agreement, whether imposed by law, ordinance, regulation, or otherwise, or violates any provision of this Agreement, the other party shall notify the breaching party of such failure or violation and, except where impracticable, shall provide the other with a reasonable period to correct, remedy, or cease such failure or violation, which period shall not exceed fifteen (15) days after the date of such notice, unless the nature of the notified party's obligation is such that more than fifteen (15) days is reasonably required for its performance, in which case the notified party shall not be in default, if, within such fifteen (15) day period, it commences the activity necessary to enable it to perform, and thereafter diligently undertakes such activity to its completion. Nothing in this Agreement shall enable NJIC to avoid liability for interest on any delinquent payments due to the City.
- B. After expiration of the cure period provided in Subsection 20(A) above:
 - i. In the event NJIC fails to correct, remedy, or cease such breach or violation within the time specified in the City's notice, the City may, at the City's sole option, terminate this Agreement; reenter the Property; lease and license others to use the Property; and receive rent and license fees therefore as if this Agreement had not been made. The City shall also have such other remedies as may be available to it, which shall include, without limitation, the right to injunctive relief to restrain any breach or violation, and the right to invoke any remedy allowed by law or in equity, including the right to money damages and consequential damages, but not including punitive damages. The City shall take reasonable measures to mitigate any damages.
 - ii. In the event the City fails to correct, remedy, or cease such breach or violation within the time specified in NJIC's notice, NJIC's sole remedy shall consist of the right to injunctive relief to restrain any breach or violation and/or specific performance.

- C. At any time after the Term of this Agreement, the City may remove from the Property. Any items removed by the City pursuant to this section shall be returned to NJIC at NJIC's cost, if any.
- D. The rights and remedies given to the Parties in this Agreement are distinct, separate, and cumulative remedies, and none of them, whether or not exercised by the party, shall be deemed to be in exclusion of any of the others provided herein or by law or equity.
- E. The provisions of this section shall survive the termination of this Agreement.

Unless otherwise provided in this Agreement, all notices, requests, demands, and other communications required under this Agreement, except for normal, daily business communications, shall be in writing. Such written communication shall be effective upon personal delivery to any party or upon being sent by overnight mail service; by telecopy (with verbal confirmation of receipt); or by certified mail, return receipt requested, postage prepaid, and addressed to the respective Parties listed below.
